

Important Notice

This is your '48 Month Swap Out Warranty' registration document, which must be completed and returned within '5 days of invoice' to validate the warranty.

• PLEASE VALIDATE YOUR WARRANTY WITHIN 5 DAYS OF INVOICE •

YCR offer their Distribution Network a four year on site Swap Out Warranty at a one off cost of £25.00 per printer (UK mainland) £35.00 (Highlands and Islands).

On the report of a broken printer that is covered by the Swap Out Warranty a replacement would be sent direct to the end user address for next working day delivery U.K. mainland or, two working days for Highlands and Islands.

The warranty would cover all parts including power supply, thermal or dot head and labour cost. Collection of broken printer from site and delivery of replacement printer is also included.

This warranty applies to SRP-275, SRP-350, and SRP-770 printers for a period of 48 months from purchase date of registered printer.

Full and correct details of all printers to be covered must be provided on the registration form or further charges may be incurred as a result of incomplete or wrong information being supplied. We need a separate form for each installation address of the printers.
